

EDUCATIONAL SCHOOL VISIT INFORMATION

THE EDUCATIONAL SCHOOL VISIT RATE IS AVAILABLE FOR SCHOOLS ONLY, COMING ON AN EDUCATIONAL TRIP DURING TERM TIME ONLY.

"ENTHUSIASM ABOUT ANIMALS AND NATURE IS INFECTIOUS AND ZOO VISITORS ARE HIGHLY 'SUSCEPTIBLE' TO EDUCATION"

At Linton Zoo we are committed to the conservation of endangered species through captive breeding programmes and also education. We feel the two go hand in hand. Like other good zoos we offer an opportunity for people to find out more about some of the creatures with whom we share the world. Our award winning education programme suits a wide age range and is geared to start with visitors as young as pre-school age.

PLANNING A VISIT TO LINTON ZOO

BOOK YOUR COACH FIRST!

We advise that you book your coach first. This is particularly relevant in the Summer months when coaches get booked up fast. It is unlikely that we will be unable to accommodate you on the date you choose. We are aware that the cost of transport to the zoo is increasing and that often the charge for a bus is much more than the actual zoo admission fee, however we are unable to lower our prices any further to compensate for this.

Although we have many picnic areas and a large covered area, if extremely wet and cold you may prefer to eat on the coach so it is a good idea to check with your coach company to find out if you are allowed to do this.

MAKE YOUR BOOKING WITH US.

If you do not already have one, a booking form can be downloaded from our website or posted out upon receipt of a telephone call. **Please return the booking form by post.**

Please complete all relevant sections of the booking form. Keeper talks, guided tours, goody bags etc. must be pre-booked. We cannot guarantee availability on the day if not booked in advance.

ORGANISERS PREVIEW VISIT

Please phone to book your teacher pre-visit. Safety guidelines are available to assist with your risk assessment.

SPECIAL PROJECT?

Tell us if the children are working on a special project and we will try to adapt any talks and encounters towards their project.
