The **SPECIES SUPPORT SCHEME** allows you to play an active part in helping us towards our aims, which are:

- Conservation and preservation of wildlife through captive breeding programmes.
- Through education, to promote a better understanding of the environment and the creatures with whom we share the world.

How Your Sponsorship Helps:

At Linton Zoo we rely entirely on admission fees at the gate to support the work here.

We do not receive help from the government, local authority or any other source as many people imagine.

Visitors to the zoo may not realise how much money is needed to build and maintain the enclosures the animals live in or how much money is needed for feed bills each year.

The Species Support Scheme enables you to contribute directly to the conservation of species and help us with our aims. By paying a small percentage of the yearly feeding costs of your chosen animal, it enables us to use the extra finance that we have coming through the gate for future developments at the zoo, to enhance our breeding programmes and maintain our high standard.

Who Can Sponsor an animal?

Sponsorships can be taken out by individuals, families, clubs or societies.

A sponsorship of a favourite animal is a great idea for an unusual birthday or Christmas present. It could also be a good educational point for a school, or for a Brownie or Scout group to aim towards raising money for a certain animal's keep.

How Does the Scheme Work?

A sponsorship runs for one year from receipt of payment, after which it may be renewed for additional years.

Your sponsorship pack includes:

- Your plaque on the enclosure.
- Your own certificate of sponsorship.
- Membership of the Friends of Linton Zoo, including newsletters with interesting information about births, hatchings, new arrivals, developments and special events.

Exclusive Sponsorship:

Each animal may be sponsored by more than one person, but exclusive sponsorship is available; the fee is four times the usual sponsorship fee. Fees for commercial companies or for advertising are negotiable on request. Sponsorships run for one year from receipt of payment.
